If God is truly a Film Writer & Director: Then God wrote & directed Step By Step, the entire journey praising all the numerous Torch Bearers, & remembering all the donors. Thousands of Donors, and families, each having their very own unique & powerful story spreading out, beyond the Canadian & US Border. He wrote a 20 year journey that was designed and defined to eventually bring 2 young children, and a young adult together perhaps by the greatest force in the world and perhaps the Universe. MOTHERHOOD. 3 Mothers together carrying the Torch Of Life together to pass it to.....ummmmmmmmm, who could it be, lets say Pope Francis, why not. After all it was his predecessor Pope John Paul II, who played his role wonderfully in front of 100,000, and put the magic touch. Like a boomerang 15 years later, have the Torch come back to St Peter's Square
